COMMENTS FROM THE TOWN MANAGER'S OFFICE

Although it is too early to be sure, indications are that there will be a substantial increase in taxable property in 1960. Losses have been small up to the present time. Several new houses have been constructed, as well as expansion in industrial and commercial property. The budget that is to be presented to the Budget Committee in January covering all accounts, exclusive of the School Department appropriation, should not reflect any increase over the 1959 appropriations. Actually at the present this is based on wishful thinking as a result of the standing of accounts as the year closes. Requests to insert new articles calling for an appropriation or an increase of the school budget over 1959 may well result in an increase over the year just ending.

Sincerely,
Harold L. Bean

WEST PARIS

— Mrs. Roxie Inman, Corres. —

Congratulations were extended to Mr. and Mrs. Donald Ryerson at open house at their home Sunday on their 25th wedding anniversary. The dining room was decorated with white wedding bells and streamers. The guest book was circulated by Gwenneth Ryerson. The decorated anniversary cake was made by his sister, Mrs. Myrtle Bonney. Mrs. Madelyn Herrick, sister of Mrs. Ryerson, dipped punch and assisted in serving refreshments. Mrs. Myrtle Bonney poured. The honored couple were recipients of many useful gifts including money. SUNDAY RIVER SKIWAY OPEN

Twelve inches of new powder snow has given the Sunday River ski area excellent skiing. The growing crowd of skiers at Barker Mountain have been unanimous in their praise of the lift, lodge facilities and varied skiing terrain. Novice skiers have skied principally on the beginners' slope where even the small fry have found skiing within their capabilities. Intermediate and expert skiers are using the 200 foot wide main slope, and the skiing there has drawn rave notices.

This week end should bring the area its first real crowd, and additional parking areas have been cleared in anticipation. Already noticed is the influx of cars from scattered parts of the state along with several out of state groups, and the road to the area should be well traveled this week end.

The new snow cover which fell at the beginning of the week added the finishing touches to what was already a solid base. "Just about two notches better than perfect" was the most often heard assessment of the skiing. The Sun-Ri Ski Shop and Nils Torjesen's Ski School are in full swing and doing a brisk business and the directors of the corporation are anticipating a banner season for the area.
